INSTITUTIONAL PRESENTATION

Creative and innovative, **Embalcut** links the know-how acquired over four decades with technology and bold design, from the conception to production of high quality and great value packaging. The technology available and the flexibility of their manufacturing processes, allows Embalcut to provide perfectly customized packaging solutions.

Embalcut develops projects in the design and manufacture of packaging for some of the most prestigious brands of cutlery, cosmetic, footwear, textile, wine and gourmet products. Has the technology to work with different kinds of materials and can find appropriate solutions in different combinations of internal and external packaging, such as wood/cardboard, wood/flock, paper/cardboard, etc.

EMBALCUT, WE CREATE PACKAGING SOLUTIONS
